RECEIVED  
HON. JAMES ORENSTEIN  
★ DEC 02 2010 ★

Dear Magistrate Orenstein,  
Please forgive the barrage of e-mails, but I have been following your suggestion and working around the clock to comply with your order. Apparently, so has Dr. Preter. I received the attached e-mail from him at 1:37 last night. Therefore, in addition to the conclusion and outline of his findings and partial report I sent yesterday, I will have the remaining pages of his report today and immediately forward it to the government.

Dr. Preter,

The Judge additionally ordered that he wants a 2-3 line conclusion/diagnosis of your report, as well as an outline of the report to be sent to him today. If you email both of these to me with a copy to Fred, I will send it to the Court.

The Court was unconditional in the information it required both by today and by next Friday.

Again, I left you voice mail to this effect.

Dr. Preter,

The Judge has ordered for us to have your report in the government's hands by 11 am on Friday, December 3rd. Fred said as a last option, even if the report is shorter than you like and needs to be supplemented, we have been ordered to provide it to the government by 11 on Friday.

I will call you as well to confirm this.

Bobbi
